1502662970- 591,988- Ashley Living Trust is Beneficiary

Call Lincoln Life - 1-800-487-1485
Policy #T105768889 1,000,000 Citizen State Bank needs to release 25%

Marty will handle all above.

Marty (214) 215-0696

128A003

Bank of America— Do not worry about other your name is not on them. Just American National.

Call NewRez Morg company - 1 (866) 317-2347

Call Marty tell him to sell Nine Band he will help with Getting it handled.

Brandi - your mom thinks we only owe her 24 we actually owe her 129 plus 24. I had to use her other money the last two years. Tell her upon my death her accounts close out and she will receive money. You will have to give her from death proceeds.

Do not call or tell Bobby until he calls you

Get with Marty have him deal with Brewery ASAP.

It should only take 20-30 days to get death certificate once you get this get all life insurance proceeds and you should be left with 2 million , plus all bills paid off brewery house ex... . Then when you sell building and brewery you should have another 2 mil. So in total when all is said and done you should have aprox 4 mill. Use Marty he will help you handle this money. I know you will heal and so will kids. I love you guys.

Suggestions:

I have 4.5 million in death benefits.

2 million pays brewery off
500K pays house and Misc bills
Leaves you with 2 million

Once you sell brewery building for 1.7-2.0 that will bring you back to 4 million.

Sell house you have another 750K

So in about 90-120 days you should have close to 5 million.

Tell Marty you need 150,000-200K a year of income. You want liquidity . 4 mill at 5% is 200K a year. Pay cash for all kids school. Also have Bobby tell you what you have to put into our ILIT 2 million plan we set up for kids. Keep what we have do not get new policy.

You guys Deserve better , my passing will pass.

Please turn my phone number off after you get what you want off of it or you can keep it. However, tons of clients and people will start calling once they receive notice from parkland.
